**Notice concerning the consideration of change in accounting period
and the unification of accounting period of the group**

The Company's parent company, AEON Co., Ltd (Tokyo Stock Code: 8267), has announced today the policy in unifying the accounting period to the end of February in the domestic consolidated companies including the domestic listed consolidated companies in AEON Group as per attachment.

The Company is now considering the change of accounting period. Meanwhile, the Company is considering to unify the group's accounting period from the perspective of operation efficiency and transparency of information disclosure.

Remarks

1. Regarding to the consideration of the change of accounting period, timing for unification and the content of change:-

The Company is considering unifying the accounting period from Feb 2013 to end of February every year for domestic consolidated companies, except AEON S.S. Insurance Co., Ltd which is not able to change the accounting period according to existing regulation.

Further consideration for overseas consolidated subsidiaries will be according to the rules and regulation in relevant countries.

Detail of the change of accounting period, timing for unification and the content of change in the Company and the Group will be announced once decision is made.

2. The impact on the consolidated result of the Company in the accounting period as of February 2013

Regarding to the impact on the consolidated result of the Company and the group in the accounting period as of February 2013, it depends on the change and the time for unification and the content and the announcement. However, it is considered the impact is minimal at present.
