

**REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION
BY THE INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

TO THE BOARD OF DIRECTORS

AEON THANA SINSAP (THAILAND) PUBLIC COMPANY LIMITED

We have reviewed the consolidated statement of financial position of AEON Thana Sinsap (Thailand) Public Company Limited and its subsidiaries and the separate statement of financial position of AEON Thana Sinsap (Thailand) Public Company Limited as at May 31, 2023, and the related consolidated and separate statements of profit or loss, profit or loss and other comprehensive income, changes in shareholders' equity and cash flows for the three-month period then ended, and the condensed notes to the financial statements. The Company's management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard No. 34 "Interim Financial Reporting". Our responsibility is to express a conclusion on this interim financial information based on our review.

Scope of Review

We conducted our review in accordance with Thai Standard on Review Engagements 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the aforementioned interim financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard No. 34 "Interim Financial Reporting".

2.7 Thai Financial Reporting Standards affecting the presentation and disclosure in the current period financial statements

During the period, the Group and the Company have adopted the revised financial reporting standards issued by the Federation of Accounting Professions which are effective for fiscal years beginning on or after January 1, 2023. These financial reporting standards were aimed at alignment with the corresponding Thai Financial Reporting Standards, with most of the changes directed towards revision of wording and terminology and clarification of accounting requirements. The adoption of these financial reporting standards does not have significant impact on the Group's and the Company's interim financial statements.

Accounting Treatment Guidance on "Guidelines for supporting debtors affected by COVID-19"

The objective of this accounting treatment guidance is to grant the temporary relief measures for entities helping their debtors affected from COVID-19 with the supporting period during January 1, 2022 to December 31, 2023 or until there are any changes from the Bank of Thailand, which requires the compliance for such changes. The entities who support their debtors and elect to apply the temporary relief measures according to this accounting treatment guidance should disclose information as specified in this accounting treatment guidance.

For the three-month period ended May 31, 2023, the Group and the Company have adhered to such Accounting Treatment Guidance regarding staging of receivables. For receivables that are credit impaired but still have the potential for repayment, the Group and the Company will classify the receivables as low credit risk (Stage 1) if the debtor has been repaying for 3 consecutive months or 3 payment periods, whichever is longer.

In the case where debt restructuring results in the original effective interest rate not reflecting the projected cash flows from such debts, the Group and the Company will adhere to such Accounting Treatment Guidance by using the new effective interest rate to calculate the present value of the restructured debts under the guidelines in the relief measurement to help debtors following the Bank of Thailand's circular letter.

The agreement sets out the conditions and terms in respect of the sales, assignment and conveyance of the Company's rights, title, claim, obligation, liability and interest in the written-off receivables under loan agreements and credit card agreements. On June 28, 2018, which is the closing date as specified in the agreement, the Company received the payment in full from the buyer. The agreement sets out the conditions and terms in respect of the sales, assignment and conveyance of the Company’s rights, title, claim, obligation, liability and interest in the written-off receivables under loan agreements and credit card agreements. On October 28, 2019, which is the closing date as specified in the agreement, the Company received the payment in full from the buyer. However, the Group has retained substantially all of the risks and rewards of the assets transferred to the buyer which is the subsidiary. Consequently, the Company recorded cash received from the buyer as deferred revenue which will be recognized as revenue when the buyer can collect from debtors. The Company has already recognized revenue of Baht 0.27 million and Baht 0.18 million as bad debt recovery in the consolidated and separate statements of profit or loss for the three-month periods ended May 31, 2023 and 2022, respectively, and recorded outstanding deferred revenue of Baht 53.61 million as other current liabilities in the separate statements of financial position as at May 31, 2023 (as at February 28, 2023 : Baht 53.88 million).

However, the Company believed that such damage was not significant, therefore, the Company had not recorded such claim in the financial statements for the year ended February 28, 2023.
